The Color Guard in a downtown parade . . . The rifle team poses for us to get a look at them . . .

At the annual competition in May, General Van Horn Mosely, Commander of Fourth Corps Area of the U. S. Army, presents the platoon cup to First Lieutenant Roy Bell. Mr. E. Weldon Jones, superintendent of Caddo Parish Schools, presents the battalion cup to Alvin Forte, Lieutenant Colonel.

September 1937 . . . last year's R.O.T.C. boys and new ones, too, "fall in line" with the determination to make an even better battalion that ever before . . . the same loyal help and reviewing as before . . . new officers and sponsors named . . . giving and taking commands . . . finally, another competition . . . and still we win cups . . . four of the five are ours . . Cadet Major Alvin Fort is our Cadet Lieutenant Colonel . . .

Then comes the '38 season . . . repetition of the former years' work . . . we do not yet know the outcome, which will be in May, but our hope is that it may bring victory and glory . . . and the finest sportsmanship anywhere . . .

The Retreat—a part of the every day routine . . . Officials relax after the Competition . . .

THE R.O.T.C. is a most important part of the school . . . from the first forming of companies, platoons, and squads in September when school begins . . . the election of sponsors . . . drilling . . . marching . . . commanding . . . naming of officers . . . later promotions . . . perfecting formations . . . picking a rifle team . . . to the all-important competition with Byrd in May . . . always the second battalion of the Fair Park R.O.T.C. strives for the highest, fairest, and best sportsmanship which is symbolic of our school . . .

We snap a Freshie in repose . . .

Innocence abroad . . . two cute freshmen . . .

Relax, son . . . you live here now . . .

ROY WILSON . . . *A pal to all. Shows the line how to give and take it.*

August 29, 1938 . . . Coach Prendergast calls for boys, eager, spirited boys to come out for pigskin practice . . . Ten lettermen return, a fine nucleus around which to build a team . . . along with forty-four new, inexperienced boys, willing to learn and fight for Alma Mater . . . blocking, tackling, dummy practice, scrimmage . . . it's the coaches' job to fit each lad into his place, to imbibe in him the true meaning of sportsmanship, and to train him to play the game . . . and to them belongs much of the praise . . . Head Coach Prendergast, now in his fourth year at Fair Park . . . a graduate of Alabama Polytechnic . . . has not commercialized football, but believes that it is still a grand and glorious game . . . Roy Wilson . . . a Louisiana State lineman . . . always on the job, alert, funloving, a great tease, who knows football and develops an inpregnable line . . . Coach Schaal from Geneva and Centenary has much to do with training the younger players and converts many a raw boy into a first-stringer . . . Coach King comes to us this year from Hosston, where he has been since graduating from Centenary . . . we are glad to have him join us.

Three weeks of intensive training and we take to the floodlights . . . Ladies' night . . . 5,000 spectators watch the Indians hold the heavy Ruston eleven to a scoreless tie . . . Up to the final period the defense of both teams works well . . . Indian fans let out a war whoop . . . Watson on a lateral from Bickham is headed for the goal line . . . 5, 10, 15, 20 . . . look out for that Ruston safety . . . 25, 28 yards . . . falling just short of pay dirt . . . again the Ruston defense holds.

LOYS VIDLER . . . *Outstanding in all athletics he will make a good man for some college.*

JAMES SIMS . . . *Called out in time of need, "Sonny" could be depended upon to fill the gap.*

LAWRENCE GILLIAND . . . *A first year letterman who promises to show up well in '39.*

SPRING

As the Sequoyah had to go to press before any baseball games or track meets we are unable to print this year's summary but will give a resume of last year's team and winnings.

Having an unusually good line-up the Fair Park baseball season closed with a total of twenty victories and two defeats. The leading batters of the season were Ernest Davis, the left fielder, who ended the season with a batting average of .434; R. M. Neel, the catcher, ending the season with an average of .360; and Claude Hale, the second baseman, ending the season with an average of .340. In the play-off at Natchitoches, Fair Park beat Byrd 11-10 for the North Louisiana championship. At Baton Rouge, Fair Park again defeated Byrd but was eliminated in the semi-finals by the Jesuits of New Orleans.

THE 1938 BASEBALL TEAM WAS COMPOSED OF: FRONT ROW: *Carl Gatti, Maurice Watson, Claude Hale, Herschel Woodyard, Emile Lattier, and R. M. Neel.* BACK ROW: *Loys Vidler, Donald Starnes, Leonard Collins, Rodgers Britton, Chester Huckabee, Ernest Davis.*

SPORTS

The line-up: R. M. Neel, catcher; T. Netherton and L. Collins, first base; M. Watson and C. Hale, second base; L. Vidler, shortstop; E. James, third base; E. Davis, left field; H. Woodyard, center field; C. Huckabee and D. Starnes, right field; the pitching staff consisted of E. Lattier, R. Britton, C. Gatti, and F. A. Hill. All of the team graduated except Davis, Neel, Lattier, Hill, and Collins who are five outstanding prospects for this baseball season.

Greenwood was defeated later by the Indians . . . made a good showing at relay carnival and North Louisiana rally at Natchitoches . . . gold shoes given to boys who placed at the rally were distributed to six Fair Park boys . . . Woodrow Emery, Donald Yarbrough, James Galloway, Billy Ferguson, Roy Bell, Harry Brown . . . prospects for '39 look better because only Brown and Emery graduated.
